

ADAPTOR

Standard / Hybrid Adaptor

Applications

- Data centers
- Premise installations
- Telecommunication networks
- Ethernet, Fibre channel, ATM, LAN, MAN and WAN

Features

- High precision alignment sleeve
- Blue, green, aqua and erika violet adaptors supplied with zirconia ceramic sleeve
- Low insertion loss and improved reconnectability
- Materials compliant to RoHS2
- Complies with IEC61754-4 standard

Performance

Type	Single mode	Multi-mode
Insertion Loss(dB)	<0.20	<0.30
Durability	<0.20dB Typical change 1000 Matings	
Receptacle Retention Force	2N – 5.9N	
Humidity Cycling	75°C 95% / 336hr	
Vibration	10~55Hz(2hr)	
Operating Temperature(°C)	-20 to +70	-20 to +70
